1. Project Scope & Deliverables

Patrika Media agrees to provide a complete digital transformation, including a new website, WhatsApp CRM, and UPI payment integration. The one-time setup includes the following deliverables:

- Website design, build, and bilingual (English + Bengali) content creation (7-10 days).
- WhatsApp CRM setup with all automations (3-5 days).
- Message template copywriting for 6 templates (2-3 days).
- UPI/Razorpay payment page setup supporting UPI, GPay, PhonePe, Paytm, and cards (1-2 days).
- Automation connections linking the website form to the CRM and WhatsApp (2 days).
- A 1-hour staff training walkthrough session (1 day).

2. One-Time Setup Investment & Payment Terms

Item	Details
Total One-Time Setup Fee	Rs 35,000
Advance Payment	50% (Rs 17,500) required to begin the project.
Final Payment	50% (Rs 17,500) due upon project delivery.
Transaction Fees	2% fee applies only to successful online patient payments via Razorpay (no hidden fees).

3. Timeline & Guarantee

- **Estimated Timeline:** Approximately 3 weeks to go live across four phases (Kickoff & Setup, Website Build, CRM & Automations/Payments Live, and Training & Handover).
- **Go-Live Guarantee:** If the website and CRM are not fully live within 3 weeks of receiving the advance payment, Patrika Media will provide the first month of ongoing management at no charge. (Note: WhatsApp template approvals by Meta take 5-7 business days).
